### Interest Accrued (Acct. 237) (Page F-16)

The bank loan payable should have been classified in the other long-term debt category in the prior year. It was mistakenly placed in the notes payable category and therefore the balances rolled forward to the current year. A reclassification was made in 2001.

Re: Yorkville Water Utility District #1 - #6819

Dear Mr. Leege:

I was asked to respond to your August 22, 2002 letter to the Town of Yorkville Water Utility regarding its 2001 annual report. I researched your questions and have the following responses:

1. The utility is very small in size and does not have any regular employees. They use contracted labor and there are no benefits associated with these contractors.
2. The other tax rate is the mill rate for the tax equivalent levied separately by the town.

I believe this information properly addresses your questions. Please contact myself or the utility if more information is needed.

Sincerely,

Karen S. Hall  
Certified Public Accountant

2001 Analytical Review DWCCA-6819-PJL

Dear Ms. Aimone:

The Public Service Commission (Commission) staff has completed its analytical review of your utility's 2001 annual report. The primary purpose of the analytical review is to detect possible reporting or accounting related errors and also to identify significant fluctuations from prior

years' data that are not sufficiently explained in the annual report. The analytical review did identify the following issue(s):

1. Please explain why there are no dollars reported in Account 686, Employees Pensions and Benefits on page W-5.
2. As directed in the head notes of the Property Tax Equivalent schedule on page W-7, please provide an explanation of the Other tax rate - Local or line 8.

Responding to the questions posed from the analytical review does not preclude you from possibly receiving other inquiries from our office regarding your annual report in the future: for instance, during a rate case, construction authorization, or other Commission reviews.

We appreciate your cooperation in providing the above information. If you have any questions, please feel free to contact me at (608) 267-9198. Please respond within 30 days of this letter. We prefer that you respond by e-mail if it is convenient for you to do so. My e-mail address is peter.leege@psc.state.wi.us. If we have no questions regarding your response, you can consider the review closed.

Sincerely,

## WATER OPERATING SECTION FOOTNOTES

---

### Water Operation & Maintenance Expenses (Page W-05)

Salaries and Wages (600)    Part-time water utility contractors hours were cutback during 2000.

Fuel or Power Purchased for Pumping (620)    Increase in utility rates during 2001.

Outside Services Employed (682)    All utility water system maps were updated by the engineering firm in 2001.

---

### Property Tax Equivalent (Water) (Page W-07)

The municipality authorized a lower tax equivalent of \$12,000.    The resolution will be mailed under separate cover.

Resolution received 3/27/02, does authorize \$12,000.    See correspondence file.    PJJ

Per review response:

The other tax rate is the mill rate for the tax equivalent levied separately by the town.

---

### Water Utility Plant in Service (Page W-08)

Hydrants (348)    Additional costs were incurred in 2001 for 2 hydrant access drives on the Sylvania Avenue water main project.    This project was recorded on the 2000 PSC report.    No new hydrants were added in 2001.

---

### Water Services (Page W-16)

The (2) new services were installed by customers' contractors.

---

### Meters (Page W-17)

The utility did a comprehensive inventory of its meters during 2001 and adjusted for the differences in column (e).
